Firestone Scout Reservation has been around since 1955 and is the ideal place for a unique back-to-nature experience whether you're new to camping or a pro to the joys of sleeping in a tent. We are a semi-primitive camp available to Scouting organizations and most non-profit youth groups by reservation for day use and overnight stays most weekends year-round. Conveniently located just east of the 57 Fwy in Brea, CA, our camp is nestled in Tonner Canyon, between Los Angeles and Orange Counties.

CHECK-IN/CHECK-OUT PROCEDURES

CHECK-IN:

We Strongly Urge the Unit/Event Leader to arrive before the rest of your group/unit to guarantee your group has filed the correct permit and paperwork.

Upon arrival on Friday or early Saturday morning, Unit/Event Leader must proceed to **Check-in Window** at the **Broken Hawk Trading Post**. **It is very important before you go to any place in camp that you check-in.** You will need to turn in a Unit Roster and any Release Forms needed for participation in our Program Activities. We will have additional information there and will be able to answer any questions you may have to get you off to a great start for the weekend.

If you have any medical issues, please let us know at check in. It is not required to give us a copy of your medical forms, but you must bring them with you and have them readily available. Be sure to always keep your cars keys with you in case of emergency and that you fill out a camp Parking Permit and place it in your car windshield.

BEFORE DEPARTURE:

Clean Up Campsite: We are a "Pack it in, Pack it out" camp. All principles of **Leave No Trace** apply. Before departure, each unit will clean its camp site and surrounding area so there is no remaining trash, paper, plastic, etc. It is ALWAYS good practice to bring plenty of strong garbage bags. **Dumpsters and trash cans are not always available.**

Camp Inspection: Unit/Event Leader should advise the Camp Staff for final walk through of their site. Please be sure your tents and belongings are packed and loaded before the advertised departure time deadline.

CHECK-OUT:

Unit/Event Leader must proceed to Check-Out Window at the Broken Hawk Trading Post and finalize Check-Out, pay any outstanding balance, turn in any rental equipment, and collect any release forms and final Receipt.

GENERAL RULES AND REGULATIONS

Please help us have a safe weekend by supervising your Scouts and siblings and following the safety procedures and instructions listed below.

1. RULES FOR CAMPING

- EACH UNIT WILL BE ASSIGNED A CAMP SITE. However, we have a large number of campers that come to Firestone, so you may expect to share your campsite with another unit.
- All Units/Campers are to provide their own camping tents, equipment, gear and meals.
- "Open-toe" shoes (sandals, flip-flops, etc.) are **NOT Allowed** in Camp. This also applies to visitors, and those just dropping off or picking up someone.
- **NO PETS ALLOWED IN CAMP!** No exceptions!
- **Two-Deep Leadership** is required by National council. You must have a minimum of two trained leaders (one who is over 21) with your unit. Leaders **MUST** camp with their Unit. All Cub Scouts must have one-on-five leadership at all times.
- Campers should always use the Buddy System (travel in groups of 2 or more) when at camp.
- Make sure you and your scout have a plan in case someone is separated from the group.
- Do not run in camp. Don't let an injury spoil your weekend.

2. CAMPING ETIQUETTE

- **Noise:** Please keep the noise down after 10 PM. Remember that there are other campers, many who are younger scouts and need their rest, and the animals need to sleep, too.
- Be a good neighbor when camping. Leave room for others to pass by on the way to the water and rest rooms.
- When passing someone else's camp site, be respectful and go around rather than straight through.
- If you need assistance, please contact the Camp Ranger or a Staff Member.

3. SECURITY

- Security Gate Closes at 9:00 pm to enter facility. You can however exit at anytime.
- Ranger lives on property, if an emergency arises.
- Please leave valuables at home. Firestone Scout Reservation and the Greater Los Angeles Area Council are not responsible for lost or stolen items.
- Cell Phone, Internet, or WiFi service reception is very limited or not available in camp depending on your service provider.

4. VEHICLES AND PARKING

- Park in designated areas ONLY!
- **Park vehicles so they are "Head Out" (Back into your spot)**
- All vehicles entering the camp area must have a Parking Permit. DISPLAY Parking Permit prominently on dash (Indicate name and Unit Number on permit.)
- Vehicles will be allowed access into assigned Campsite for unloading and loading **only**.
- **Any car parked long-term in the campsite or blocking others or obstructing roadways may be towed or cause its family to be asked to leave.**

GENERAL RULES AND REGULATIONS (cont.)

5. RVs & TRAILERS

- If you wish to bring your RV on property you **must have prior written approval from the Ranger** or they will not be allowed to enter camp; additional fees may apply.
- **No** RV electrical/water/sewer hookups available.
- Trailers **must** follow the same rules and guidelines as all other vehicles. Check with ranger for parking location.

6. **NO** ALCOHOLIC BEVERAGES, DRUGS, TOBACCO OR VAPORS ALLOWED

- Firestone Scout Reservation is a **No Smoking** facility.
- Alcohol and Scouting do not mix. The consumption or use, or being under the influence, of alcohol or illegal drugs is prohibited at any activity involving participation of youth members.

7. FIRE REGULATIONS

- **Firestone Scout Reservation is a No Smoking Facility.**
- **NO WOOD OR GROUND FIRES ALLOWED!**
- No liquid fuels of any kind.
- If the fire department is called because of your fire, your unit will be billed for any expenses charged by the fire department.

8. COOKING/FOOD

- Campers are responsible for their own food and cooking.
- Propane cooking is permitted. Charcoal cooking in above-the-ground containers is permitted.
- BBQ's are allowed on campsites as long as they are 6" off the ground. They must be propane or charcoal only.
- Wood burning fires must **FIRST** be cleared by Ranger.
- Do NOT keep food inside your tent or leave it out. This will attract the wildlife to get to it.

9. WATER AND TRASH DISPOSAL

- Campsites have access to a potable water spicket. You may have to share with other campers. Please just use what you need and help conserve water.
- Trash Dumpsters are NOT available.
- Please secure ALL trash overnight. **REMEMBER** that wildlife would like nothing better than to get at your disposed goodies.
- Trash Bags **(BYOB)** – Please bring plenty of trash bags to bag and dispose of your trash.
- Take all trash with you when leaving camp if dumpsters are not provided for the event.

10. PORTA POTTIES

- Camp will provide 2 portable toilets per reservation. The ratio of campers to portable toilets required is 30 to 1. If your group exceeds 60 campers you will be responsible for adding additional portable toilets at an additional fee to your reservation.
- Please keep latrines clean. Please use them for their intended use **ONLY!**
- DO NOT use porta potties to throw away trash.
- Bring your own toilet paper and "dry" hand sanitizer, as what is provided is complimentary and may not be restocked.

GENERAL RULES AND REGULATIONS (cont.)

11. SHOOTING SPORTS RANGES & PROGRAM AREAS

- Please follow all direction given by Range Masters/Campmaster/Staff at any of the ranges and program areas. You will be asked to leave the range or program area if you do not follow instructions.
- **No running.** Please do not go under yellow tape or fences.
- If you would like to take pictures, please check with range master where it is safe to stand.
- **PLEASE DO NOT BRING PERSONAL FIREARMS, AMMUNITION, SLING SHOTS, OR BOWS AND ARROWS TO CAMP.** Only Firestone Scout Reservation equipment may be used by Scouts, Leaders, and all other participants.
- Please contact Ranger for Venturing Events.

And the most important rule of all is... **HAVE FUN!**

FIRST AID & EMERGENCY INFORMATION

Ensure your unit has your **Medical Release Form** and **Parental/Legal Guardian Permission Release** for **ALL** participants in your group.

First Aid:

- All units should be equipped with standard first aid equipment and supplies.
- Individual Units are responsible to handle minor injuries.
- If there are any questions concerning an injury or if it is a major injury, contact the First Aid Station, located at the Broken Hawk Trading Post.
- Any injury requiring a band-aid or more, must be noted in a written log and turned into Camp staff daily.
- **Any serious injuries:** Must immediately be brought to the attention of the **Camp staff**.

Fire and Emergency Alarms:

If the emergency alarm sounds,

- All campers are instructed to stop what they are doing immediately and to walk quickly to your campsite headquarters and assemble by unit and wait for further instructions.
- Leaders will take a head count and inform the Camp Leadership of the status of their unit.
- If any evacuation is necessary, Unit Leaders will be given the appropriate instructions.

ALL DRIVERS MUST KEEP THEIR KEYS IN POCKET AT ALL TIMES.

WILDERNESS AREA WARNING

You should be aware that this is a Wilderness Area.

There are, among other things, wild animals native to this area. Among them are mountain lions, bobcats, coyotes, deer, raccoon, snakes, spiders, flies, ticks, ants, mosquitoes and mice. These animals are wild and **must be left alone**. We have had previous complaints about the presence of Bears in the area, but it turned out only to be someone who was an extraordinary snorer. However, on some evenings coyotes, frogs and crickets do serenade beautifully.

DO NOT STORE FOOD IN YOUR TENTS!

- Some of the smaller animals (raccoon, mice) can get into tents, packs, clothes, shoes, food bags, and your trash.
- Keep all food and items with a scent stored appropriately so as not to attract these animals.

NO OPEN-TOE SHOES ALLOWED!

- Wear appropriate shoes or you will be asked to change or leave the camp facility.
- Remember you will be walking/hiking and the terrain is uneven.
- You don't want to be bitten, stung or injured by anything.

Be prepared to handle:

- Seasonal Poison Oak and Stinging Nettles, Bee stings, mosquito/insect bites
- Seasonal Allergies
- Weather – Warm Days & Cool Nights

HIKING SAFETY

- ☑ Always tell someone where you are going and when you will return.
- ☑ Never hike alone or at night; use the Buddy System.
- ☑ Dress properly for the weather and environment.
- ☑ Wear sun and insect protection.
- ☑ Take an extra pair of socks in case you need to change.
- ☑ Obey traffic signs and signals.
- ☑ Avoid hiking along roadways.
- ☑ Stay on the trail.
- ☑ Be alert to your surroundings.
- ☑ Don't litter as you hike.
- ☑ Be alert to dangerous animals, insects, and plants.
- ☑ Never touch a wild animal.
- ☑ Take 1 pint of water for each hour you will be hiking. Never drink untreated water.
