NEW – Charter Process Begins March 2024

- Units will continue to renew **AS IS** through March 2024 rechartering
- This change will take effect March 1, 2024 to allow all units renewing in 2023 a complete renewal cycle. January and February 2024 units will have a one-month lapse as way to transition.

Role of the Family

- Annually renew the registration of the members via an online link
- Email reminders will be sent beginning 60 days before the renewal date with a link to Renew or Opt-Out.
 - 60, 30, 15, and 7 days before, and then 24 hours before and if needed 7 days after renewal date.
- Parents can renew the registration via Credit Card payment or pay at the council office if they prefer (Credit Card details are tokenized like other renewal payments and available if the parent approves).
- Reminder notifications will be in Scoutbook beginning 45 days before the renewal date.

Role of the Unit

- Units WILL BE able to choose to pay renewals for all members, this option will block the online payment by the parent.
- Units will be able to drop (opt-out) any member for someone who has quit.
- Units will get notifications via email for members to be renewed and members who renewed.
- Each members' Renewal status will show on the unit roster.
- Units will have access to reporting in My.Scouting for members that are due to renew, members renewed, and members dropped (opt-out)
- Unit Renewal will be simplified and streamlined. The unit will validate the leadership and YPT requirements, validate the membership requirements, and pay the Unit Charter fee. This can all be done from one screen in My.Scouting by one of the unit Key-3 leaders.

Role of the Council

- Manual renewals can be processed in Registrar Tools
- Council / District will have access to reporting in My.Scouting for members that are due to renew, members renewed, and members dropped (opt-out)
- A new registration category of “Member without unit” will be used for members how are in units that drop but still have a paid registration. Councils will have access to reports of these members to help connect them with another unit.
- All Non-Unit Membership will renew online line similar to how unit members renew. If any have Multiple positions, these will be aligned to the renewal date of the paid position.
- Unit renewal tracking will be very similar to today, and a manual renewal option will still be available in Registrar Tools.
- Unit Renewals will post automatically unless the unit has some exception such and less than 5 youth members.

Role of the Commissioner

- Commissioners should help facilitate communication with units to educate unit leaders of new annual membership fee updates. In addition, commissioners should communicate that the unit renewal process will renew as is through February 2024.
- Commissioners will have access to reporting in My.Scouting for members that are due to renew, members renewed, and members dropped (opt-out)
- Commissioners will help review the new registration category of “Member without unit” for members whose units have dropped but still have a paid registration.
- All Non-Unit Membership will renew online line similar to how unit members renew. If any have Multiple positions, these will be aligned to the renewal date of the paid position.
