

San Gabriel Valley District OUTSTANDING SCOUT AWARD

The "OUTSTANDING SCOUT AWARD" is a special youth recognition that is made through nominations to the District by unit level youth or adult leaders, volunteers and parents.

Eagle Scouts are unique individuals but not all unique scouts are Eagles. Is there a special youth who is doing an extra special job and goes unheralded? Has your scout served willingly time after time and goes above and beyond the call of duty? If so, nominate him for the OUTSTANDING SCOUT AWARD to be presented at the Annual District Recognition Dinner. All recipients will be specially invited to be recognized. Recipients will be awarded certificates and recognized for their accomplishments if in attendance at the recognition program.
