

BSA Angling Educator Course

Want to take your Cubs or Scouts fishing but you are not sure how to plan the event?

Pacifica District Proudly Offers the BSA Angling Educator Course Day Saturday, May 11, 2024

Fishing is one of the most popular youth activities. It is also a great way to recruit new scouts and retain the scouts you have.

The BSA Angling Educator course will teach you everything you need to know to plan and run a fishing event.

The program is designed to give a Scouter who has never fished before (or recently) the skills and knowledge to go to a pond and be successful quickly. It is designed to teach you how to teach Cubs and Scouts to fish, and how to host a fishing event.

This training course is open to Scouters and Scouts age 15+.

Date: Saturday, May, 11, 2024

Place: Cabrillo Beach Youth Waterfront Sports Center

Time: 9:00 a.m. to 1:00 p.m.

Cost: \$10.00

Participants: Limited to 25

Course Director: Dane Shigemura Email Address: dane_shigemura@yahoo.com

Bring your own lunch and beverage.

Participants finishing the course will receive a BSA Angling Educator patch.
