Eagle Leadership Service Project

- *While a Life Scout*, plan, develop, and give leadership to others in a service project helpful to any religious institution, any school, or your community. (The project must benefit an organization other than the Boy Scouts of America.)
- A project proposal must be approved by the organization benefiting from the effort, your Scoutmaster and unit committee, and the council or district *before you start*.
- You must use the Eagle Scout Service Project Workbook, BSA publication No. 512-927, in meeting this requirement. (To learn more about the Eagle Scout service project, see the Guide to Advancement, topics 9.0.2.0 through 9.0.2.16.)

Instructions for Preparing Your Proposal

Meeting the Five Tests of an Acceptable Eagle Scout Service Project

Your proposal must be prepared first. It is an overview, but also the beginnings of planning. It must show your unit leader, unit committee, and council or district that your project can meet the following tests.

1. ***It provides sufficient opportunity to meet the Eagle Scout service project requirement.*** You must show that planning, development, and leadership will take place; and how the three factors will benefit a religious institution, a school, or your community.
2. ***It appears to be feasible.*** You must show the project is realistic for you to carry out.
3. ***Safety issues will be addressed.*** You must show you have an understanding of what must be done to guard against injury, and what will be done if someone gets hurt.
4. ***Action steps for further detailed planning are included.*** You must make a list of the key steps you will take to make sure your plan will have enough details so it can be carried out successfully.
5. ***You are on the right track with a reasonable chance for a positive experience.***

Fundraising is not just money but
Includes in-kind donations

The image shows a form titled "Eagle Scout Service Project Proposal". At the top right of the form is a small version of the Eagle Scout Service Project Medal. Below the title is the Boy Scouts of America logo. The form has two blue horizontal lines for text entry. The first line is labeled "Eagle Scout candidate's full legal name" and the second line is labeled "Please give a name to your project". At the bottom left of the form, there is small text that reads "Eagle Scout Service Project Worksheet No. 3020a December 2010".

Eagle Leadership Service Project

Preliminary Cost Estimate

You do not need exact costs yet. Reviewers will just want to see if you can reasonably expect to raise enough money to cover an initial estimate of expenses. Include the value of donated materials, supplies, tools, and other items. It is not necessary to include the value of tools or other items that will be loaned at no cost. Note that if your project requires a fundraising application, you do not need to submit it with your proposal.

Enter your estimated expenses below
(include sales tax if applicable)

Materials:	<input type="text"/>
Supplies:	<input type="text"/>
Tools:	<input type="text"/>
Other:	<input type="text"/>
Total Costs:	<input type="text"/>

Fundraising: Explain how you will raise the money to pay for the total costs. If you intend to seek donations of actual materials, supplies, etc., then explain how you plan to do that, too.

Eagle Leadership Service Project

Fundraising Application

You do not need the Application if the items or money are raised from:

- Your family
- Your Troop/Crew
- The Troop's Charter Org
- The beneficiary

Otherwise, you probably need it

Project proposal can be approved without the fund-raising form. It must be sent to the district representative at least two weeks before any fund-raising activities.

Eagle Scout Service Project Fundraising Application

Before filling out this application, it is important to read "Procedures and Limitations on Eagle Scout Service Project Fundraising." This can be found on the next page: "Fundraising Application Page B." Once completed, you must obtain approval from the project beneficiary and your unit leader, and then submit the fundraising application to your council service center at least two weeks in advance of your fundraising efforts. You will be contacted if it cannot be approved or if adjustments must be made. Use this form, not the Unit Money-Earning Application.

Candidate's Promise*		<i>Sign below before you seek the other approvals for your proposal.</i>	
On my honor as a Scout, I have read this entire workbook, including the "Message to Scouts and Parents or Guardians" on page 4. I promise to be the leader of this project, and to do my best to carry it out for the maximum benefit to the religious institution, school, or community I have chose as beneficiary.

** Remember: Do not begin any work on your project, or raise any money, or obtain any materials, until your project has been approved.*

Unit Leader Approval*		Unit Committee Approval*	
I have reviewed this proposal and discussed it with the candidate. I believe it provides impact worthy of an Eagle Scout service project, and will involve planning, development and leadership. I am comfortable the Scout understands what to do, and how to lead the effort. I will see that the project is monitored, and that adults or others present will not overshadow them.		This Eagle Scout candidate is a Life Scout, and registered in our unit. I have reviewed this proposal. I am comfortable the project is feasible, and I will do everything I can see that our unit measures up to the level of support we have agreed to provide (if any). I certify that I have been authorized by our unit committee to provide its approval for this proposal.

Beneficiary Approval*		Council or District Approval	
This service project will provide significant benefit, and we will do all we can to see it through. We realize funding on our part is not required, but we have informed the Scout of the financial support (if any) to which we have agreed. We understand any fund raising the Scout conducts will be in our name and that funds left over will come to us if we are allowed to accept them. We will provide receipts to donors as required.		I have read topics 9.0.2.0 through 9.0.2.15, regarding the Eagle Scout service project, in the Guide to Advancement, No. 33088. I agree on my honor to apply the procedures as written, and in compliance with the policy on "Unauthorized Changes to Advancement." Accordingly, I approve this proposal. I will encourage the candidate to prepare a project plan and share it with the designated project coach.

Eagle Scout Service Project Plan

BOY SCOUTS OF AMERICA

Eagle Scout candidate's full legal name: _____

Eagle Scout Service Project Name: _____

Planned start date: _____ Planned completion date: _____

Eagle Scout requirement 7 says you must "plan" and "execute" your service project. Though this project plan is a tool for your use, and is not approved or signed, it is important in helping to show you have done the required planning and development. You should take this project plan with you to your Eagle Scout board of review. Note that you are not required to provide those details that are necessary for the accomplishment of your project.

A Scout who is prepared will complete the project plan, and then review it with the designated project coach before carrying out the project. The council or district representative who approved your project may have agreed to serve as your project coach, or someone else may be designated to take this important role. A project coach's involvement and approval of your project plan is optional, but it can help you avoid many problems or mistakes. This can also improve your chances of passing the Eagle Scout board of review.

You should also show your project plan to your beneficiary prior to carrying out the project. This will help ensure your plans agree with the beneficiary's expectations. Remember, the project beneficiary has the authority to require and approve a project plan. Be sure to read "Navigating the Eagle Scout Service Project" at the end of this workbook.

Entering Service Project Data

The BSA collects information on the hours worked on Eagle Scout service projects* because it points to achievement of our citizenship aim. To assist with the data collection, please refer to your list of people who helped and the number of hours they worked. Then please provide the information requested below. Include hours spent doing planning under Total Hours Worked.

Be sure to include yourself, and the time spent on planning.

	Number of Workers	Total Hours Worked
The Eagle Scout Candidate - Planning Hours	1	
The Eagle Scout Candidate - Execution Hours	1	
Registered BSA youth members		
Other youth (brothers, sisters, friends, etc., who are not BSA members)		
Registered BSA adult Scouting volunteers and leaders		
Other adults (parents, grandparents, etc., who are not BSA members)		
Grand Total of Hours (enter here and on your Eagle Scout Rank Application)		

***There is no requirement for a minimum number of hours that must be worked on an Eagle Scout service project.**

If you have been told you must meet a minimum number of hours then you may lodge a complaint with your district or council. If you have given leadership to an otherwise worthy project and are turned down by your board of review solely because of a lack of hours, you should appeal the decision.

Eagle Leadership Service Project

Photos and Other Documentation

If you have them, submit photographs taken before, during and after project completion on a separate document. You may physically attach letters, maps, handouts, printed materials, or similar items that might be helpful to your board of review.

Caution: Using an Adobe or other PDF reader to insert a "signature" can cause this entire document's contents to be locked preventing future edits; make sure you save a copy if any signatures will be inserted digitally.

Eagle Board of Review

Verification

The paperwork is checked to be sure everything is complete and correct, and that the advancement dates match what is in the national system

Scheduling

This varies widely between Districts. For the Rose Bowl District the District Eagle Advisor assigned to the unit coordinates with the Unit Leaders to find a date that works for all parties involved

Eagle Board of Review

The Eagle Board will have a minimum of three members (not more than six) and be chaired by the District Eagle Advisor assigned to the unit

Unit leaders and assistants shall not serve on a board of review for a Scout in their own unit. Parents, guardians, or relatives shall not serve on a board for their child.

The candidate or the candidate's parent(s) or guardian(s), or relative(s) shall have no part in selecting any board of review members. (Guide to Advancement section 8.0.0.3)

Eagle Board of Review

- Eagle board of review discussion with the Scout generally last about 30 minutes. This is the highest rank a Scout may achieve; there should be a discussion of the Scout's successes, experiences, and future plans, but rarely should the discussion with the Scout last longer than 45 minutes
- In the Rose Bowl District, most board of reviews including introductions, a brief parent discussion, board discussion with the Scout and a summary with all present; will take less than 1.5 hours
- At the end, the Board will render their decision and it must be unanimous

Eagle Board of Review

Submission of the final paperwork to the council registrar, is the **responsibility of the Unit Leaders**, with the necessary signed documents provided by the District Eagle Advisor
